VIP SUITE BATH

Essential to the balance of well-beings and beauty,
our spa concept brings the ultimate relaxation and
therapeutic experience. Inspired by the richness of local
wisdom and natural heritage, our treatments revolve
around the goodness of coastal resources and mindful
exploration of human mind, body and soul.

VIP SUITE BATH

Available for in room treatment and add on

Rose Relax

Recline and luxuriate in this indulgent infusion of essential rose oil and rose petals. Deeply relaxing and moisturizing for the skin.

Cappucino Bath

The treatment for all chococino lovers. Savour the blissful aroma of rich chocolate while experiencing the treatment and enjoying its antioxidant benefits.

Citrus Infision

An awakening and uplifting aroma of rosemary, peppermint, spearmint, neroli and pink grapefruit. Great for jetlag, hypertension, skin toning and mental stimulation.

Muscle Relief

A restoring ritual using herbal oil infused salt bath perfect for muscular aches and pains. This massage is coupled with a complimentary serving of soothing herbal tea and nutritional nuts and seeds to fight inflammation.

Bamboo Breeze Bath

Relax in our signature scented bath of Bamboo & Teak while you enjoy a local side beverage of Bir Pletok and rice snacks. This treatment nourishes and hydrates your skin with a rich mixture of tantalizing scents of sea salt and bamboo oil.

Slumber Time

Kick back, relax, and rest assured that you will get a great night's sleep in this treatment that is accompanied with organic chamomile tea and nutritious cacao nibbles. Whether it's jetlag or simple day-to-day stress, this massage will soothe you to the bone.
