FULL BODY SCRUB

Essential to the balance of well-beings and beauty,
our spa concept brings the ultimate relaxation and
therapeutic experience. Inspired by the richness of local
wisdom and natural heritage, our treatments revolve
around the goodness of coastal resources and mindful
exploration of human mind, body and soul.

FULL BODY SCRUB

Toraja Coffee Scrub

Increase your ability to focus and uplift your spirit. Caffeine stimulates the nervous system and directly affects skin circulation. Blending extra virgin coconut oil and coffee toraja you will feel refreshed and your skin hydrated.

Rose Petal Scrub

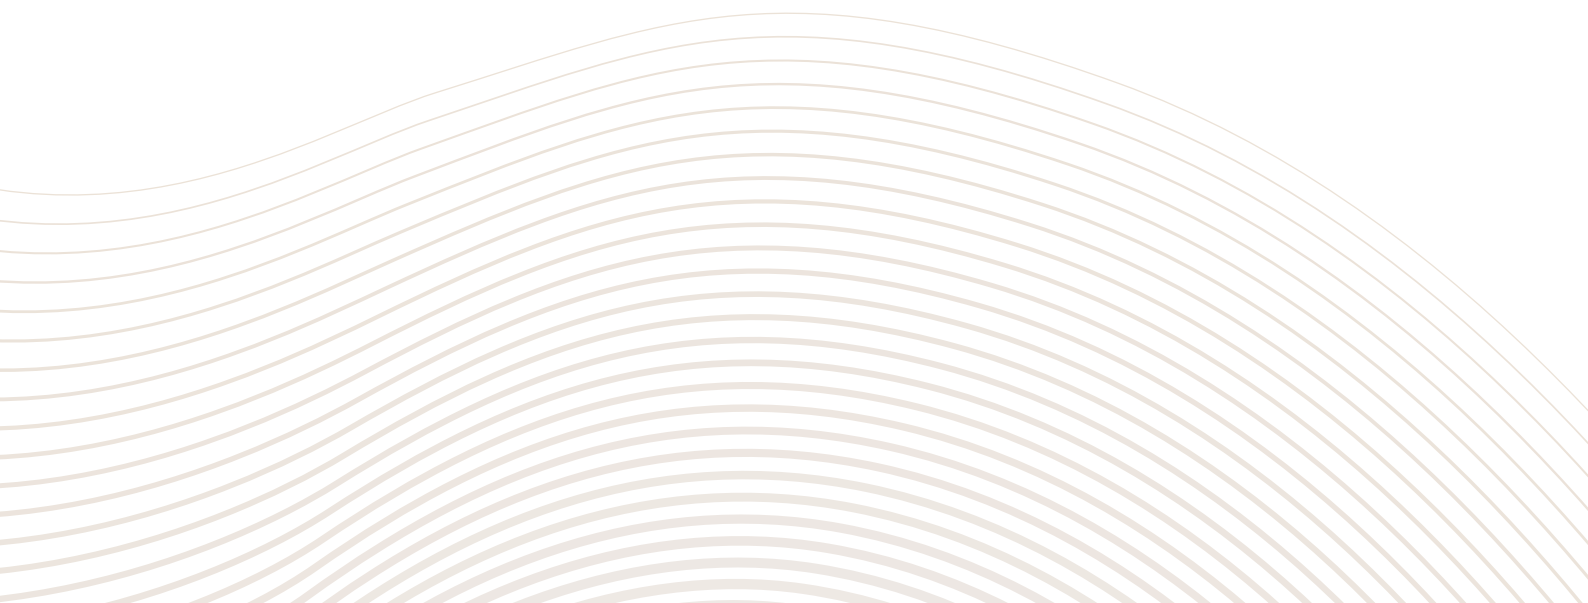

This luxurious exfoliation blends essential rose oil, rose petals, sugar, honey and oil. With an antioxidant affect, this treatment removes dead skin cells, deeply hydrates, and improves skin elasticity, smoothing, tightening and brightening.

Bamboo Breeze Salt Scrub

With the aroma of bamboo, island spices and a hint of bergamot, this exfoliation is a deep cleanser. The salt removing excess oil, dead skin cells and assisting in detoxification.

Exotic Island Scrub

Surrender to the ebb and flow of nature as gentle caresses lull you into deep sleep. This is a deeply relaxing Balinese massage that is great for jetlag, insomnia or any general difficulty sleeping.
